## June 2015 Newsletter

Here is some information about our latest Module, Parent Teacher Interviews.

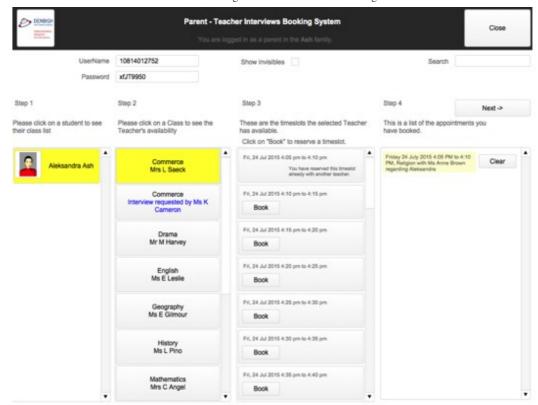

## New Parent Teacher Interview Module

Our new module has a lot of great features that our schools have been asking for, here are just some of the features:

- Wizard for easy session creation, with email/SMS notifications
- Each teacher can have a different set of interview times
- Easily add/remove teachers or students at any time
- Booking conflicts prevented automatically by the system, but the administrator can override

Parent Booking Screen

- Authenticate against the school directory or use inbuilt user password management
- · Allow or disallow access on a "per parent per family" basis
- Add any siblings to a session if they have the same teachers
- · Easily re-assign interviews from one teacher to another
